Jotun	Conseal Primer	See Jotun
Jotun	Conseal T/U	See Jotun
Jotun	Vinyguard	See Jotun
Valspar/Wattyl	Epiname PR250	P30.01

We have evaluated the compatibility of the above primers under laboratory conditions, results of our investigation indicate that the above primers are compatible with the Fireshield ArchitecturalWhite intumescent basecoat, provided it is applied in accordance with our written application/installation instructions and primer manufacturer guidelines are followed. Fire Protection Coatings Ltd assumes no responsibility for the duplication of these results in the field as variations in site conditions, surface preparation, formulation changes and other factors are beyond our control. Please contact Fire Protection Coatings on 0800 FIRESHIELD or 1800 092 097 for further assistance or for the use of primers other than those listed.
